Enrichment

Autumn Term

2024

We offer students a wide-ranging enrichment programme to develop their passions and interests as well as gain greater confidence and self-belief.

Our extra-curricular sessions include After-School Clubs, Lunchtime Clubs, and Year 11 Intervention Sessions. Most after school clubs run between 3.15pm and 4.15pm. Year 11 intervention runs until 4:30pm.

In addition, there are opportunities to enrich the curriculum with regular trips, visits and guest speakers across all subject areas.

Parents/carers will need to provide consent for their child/ren to attend after school clubs through the Arbor Parent App. You do not need to provide consent for lunch time clubs.

Parental consent must be provided before attending any after-school activity (see

for further support with how to do this).

Overview of enrichment timetable Spring 2024

Sports Clubs

The PE department offer an extensive programme throughout the school year. These are updated termly to reflect the sporting calendar.

Football - Wednesday 3.15pm-4.15pm

Open to all students (boys and girls) across all year groups for beginners as well as those who already take part in football outside of school. A great way to develop team-work skills as well as keeping healthy through physical exercise.

Boys sessions will be led weekly by Mr Calcott and Mr Barnwell-Edinboro

Girls session will be led weekly by Miss Barnett

Basketball Club – Monday, Wednesday and Friday Lunchtime

Basketball takes place three times a week during lunchtime in the Sports Hall. Years 7-8 basketball club is every Monday; Years 9,10 & 11 every Wednesday and a girls only session every Friday lunchtime. Trainers required. See Mr Calcott & Mr Barnwell-Edinboro for further information.

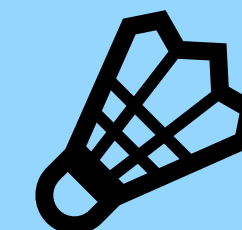

Rugby Club - Tuesday 3.15pm-4.15pm

Year 7 to 10 boys are welcome to join the Rugby club, whether experienced or not in the sport. You will learn basics in passing, kicking and tackling. For those already with some experience, you will be able to further enhance these skills through game play. Football boots required- prepare to get muddy!

Badminton Club - Tuesday & Thursday Lunchtime

Open to Years 7&8 every Tuesday Lunchtime in the sports hall and every Thursday lunchtime for years 9-11. Trainers required-all other equipment will be provided.

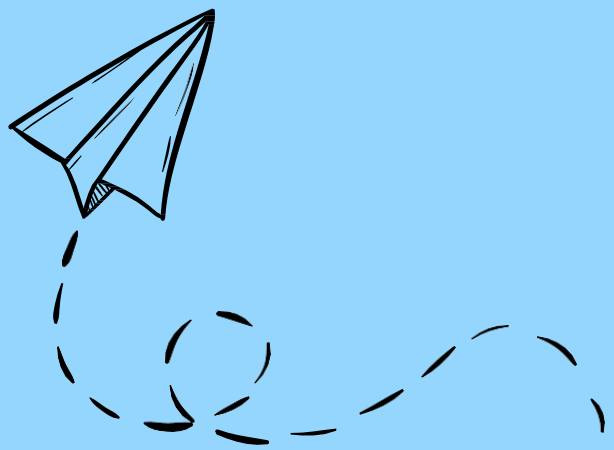

Book Club - Wednesday Lunch Time

Interested in reading and discussing popular books with others? This a great opportunity to develop your love of reading as well as developing great social skills as you explore characters, plot and the writer's methods through structured debate and discussion. Open to students from all year groups.

Careers Guidance - Drop-in Sessions

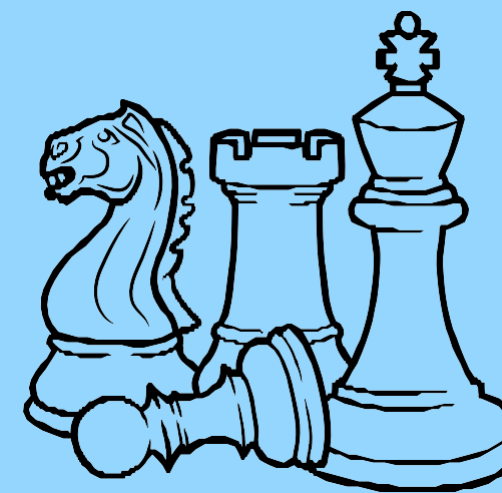

Would you like further guidance on what different opportunities and career paths there may be available after school? Mrs Mahloudji, our careers advisor, will be available weekly for drop in sessions with sessions for all year groups.

Chess Club - Wednesday 3.15pm-4.15pm

Chess club is a social meeting place where students come together through chess.

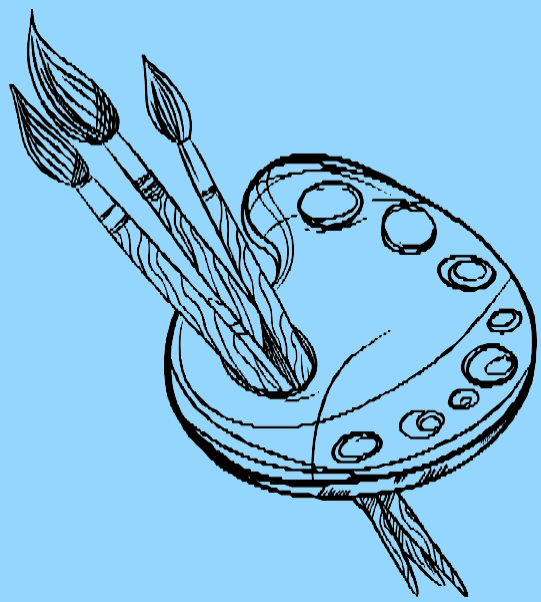

For students that don't know how to play, our student leaders will support and teach you the game; if you already know, you can come along for some competitive play.

Diversity Committee - Tuesday Lunch Time

'Our differences do not divide us, they are what bring us together.' Are you interested in ensuring the we live in an equal and inclusive society regardless of our differences?

Then the Diversity Committee is for you. With opportunities to get involved in leading school assemblies, having input in to celebration days and termly events, such as Black History Month, Islamophobia Awareness Month, Pride Month and LGBTQ+ History Month as well as providing student voice about how we can continue to create an inclusive school community, this really is the group for everyone!

Graphics Club Wednesday 3:15-4:15pm A4

Open to all Year 10 GCSE Arts and Textile students who want to further develop their skills outside of lessons.

Duke of Edinburgh Award

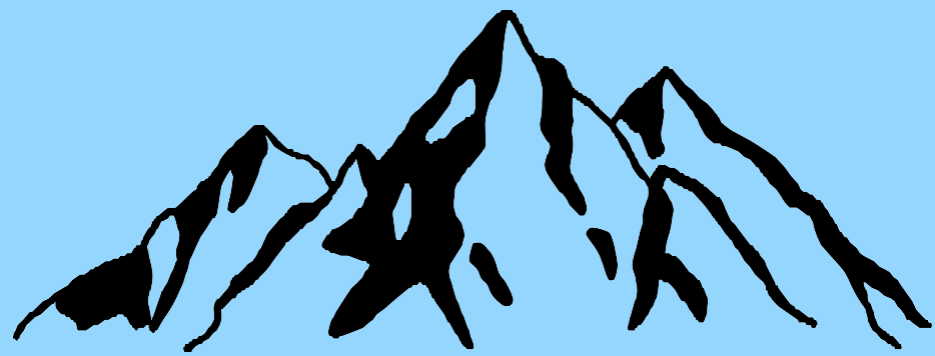

A life-changing experience. A fun time with friends. An opportunity to discover new interests and talents. A tool to develop essential skills for life and work. A recognized mark of achievement; respected by employers. Any young person can do their DofE – regardless of ability, gender, background or location. Achieving an Award isn't a competition or about being first. It's all about setting personal challenges and pushing personal boundaries.

Through the DofE programme young people have fun, make friends, improve their self-esteem and build confidence.

They gain essential skills and attributes for work and life such as resilience, problem-solving, team-working, communication and drive, enhancing CVs and university and job applications.

Top employers recognise the work-ready skills Award holders bring to their business.

The Duke of Edinburgh Award scheme is open to students in years 9 & 10 through application (new applications November 2024)

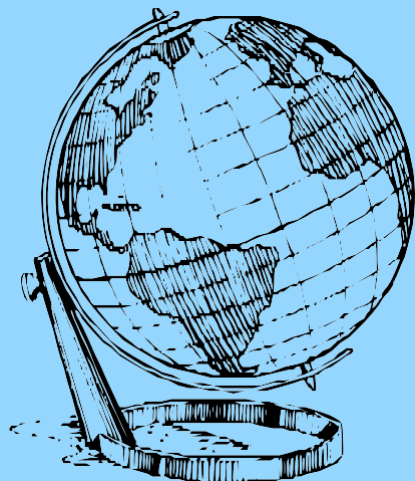

Homework Club - Monday 3.15pm - 4.15pm

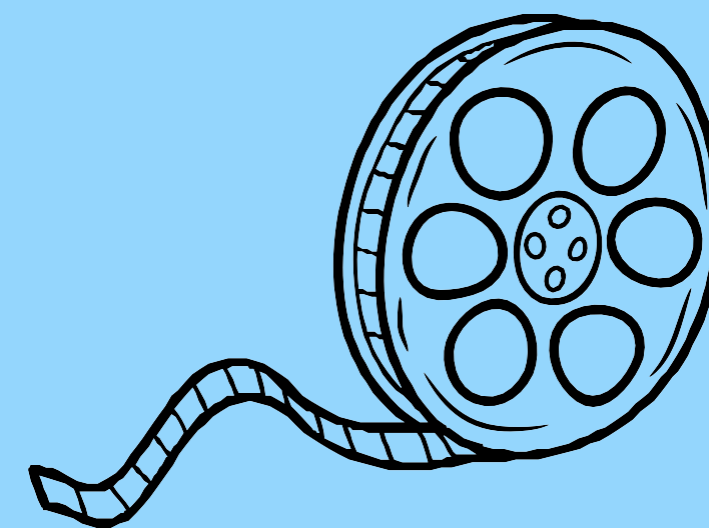

Open to all students, homework club is staffed each day to provide additional support to students when completing homework and access to the IT facilities if required. However, students can also come here to complete homework who just want a space to do so in a calm and structured environment.

Humanities Film Club - Wednesday Lunch Time

Explore great films related to the humanities subjects, with a focus on discussion and critical debate about what you have viewed.

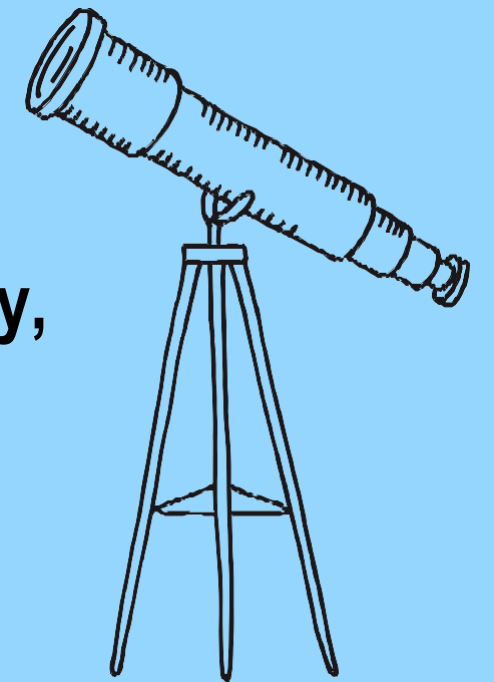

Music Rooms Lunch Time

To provide further support for students who wish to practice at lunch in addition to their music lessons, students can book a music room directly with Mr Silvestro each Monday, Tuesday and Wednesday.

STEM Club Tuesday 3.15pm-4.15pm S1

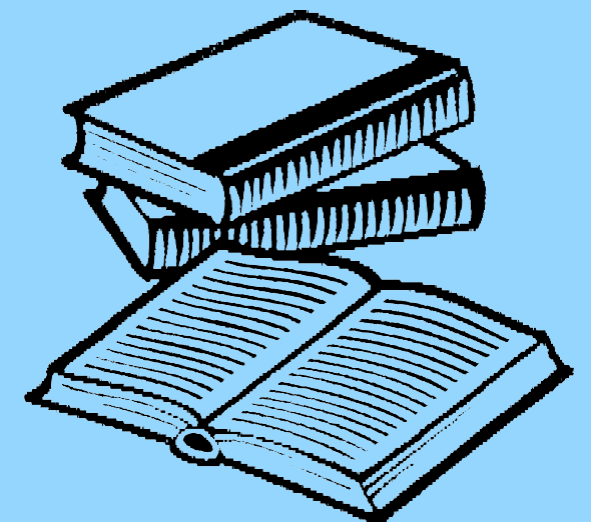

A collection of fun activities that are based around science- astronomy, dissecting organs, lego programming, architecture and much more.

Student Leadership Team

Each week, the student leadership team will meet to action their plans for Ash Green School with a range of projects that students can get involved in from environmental projects to well-being campaigns.

The direction of these projects will be solely in the hands of our student leaders.

Warhammer - Tuesday 3.15pm-4.15pm

Warhammer is a miniature wargame in which players enact battles using miniature models of warriors and fighting vehicles. The playing area is a tabletop model of a battlefield, comprising models of buildings, hills, trees, and other terrain features. Each player takes turns moving their model warriors around the battlefield and fighting their opponent's warriors. These fights are resolved using dice and simple arithmetic.

The assembly and painting of the models is a major aspect of the hobby, and many customers of Games Workshop buy models simply to paint and display them. A player might spend weeks assembling and painting models before they have a playable army.

Starter packs for players wanting to take part in this activity can be provided for a limited number of students.
